

NICHOLA LALA

A cartoon illustration of a young girl with short brown hair, wearing a purple t-shirt, standing in a field of tall green grass and small white and pink flowers. She has a surprised or distressed expression. A large speech bubble above her head contains the text "No! No! You can't do it!". The background features rolling green hills under a blue sky with a few wispy clouds.

No! No! You can't do it!

You can't marry him!
You'll cross over!

If you marry... you'll leave us.

Oh we've already thought of that

You have?

Yeah

Yeah, we just won't
get married.

A cartoon illustration of a young girl with short, wavy brown hair and a surprised expression, with wide eyes and an open mouth. She is wearing a purple long-sleeved shirt. She is standing in a lush green field filled with various wildflowers, including purple and white ones. In the background, there are rolling green hills under a blue sky with a few wispy clouds. A speech bubble above her head contains the text "You won't?".

You won't?

Yeah I'm a strong independent woman... I mean ghost.

I don't need to get married.
I've thought about it.

Oh and then you won't cross over
anytime soon... But is that okay with you?

Yes, love is more important than marriage.

So we can be together until I die and then
I'll be a ghost and we can always be together.

Yes, that sounds wonderful

I can't believe we are already
talking about my death... hehe

But it seems right

It's only been a few weeks
but I love you so much

I love you too

Hey, what are you doing?

Waiting for Joon
